

Curriculum vitae

Personal information

FANJAT Grégory
Géosciences Montpellier
Université Montpellier 2, CC060
34095 Montpellier Cedex 05, France
E-mail : gregory.fanjat@gm.univ-montp2.fr

Nationality: French
Date of birth: 14/02/1985

Work experience

-Teaching:

From September 2009: Geology and Geophysics lectures in Licence and Master levels at the University of Montpellier II (64h/year)

-Research:

From the 1st of September 2009: PhD Fluctuations of the geomagnetic field: from reversals to recent secular variations, under the supervision of Pierre Camps, Géosciences Montpellier

February 2009 -July 2009: Internship, Direct inversion of core state from geomagnetic data, under the supervision of Nicolas Gillet (computer inversions on geomagnetic data), LGIT

April 2007 -July 2007: Internship on the Gallium experimental dynamo Bullard Von Karman with Nicolas Plihon, ENS Lyon.

May 2006-July 2006: Internship on the Core Crystallisation with Daniel Brito and Renaud Deguen (experimental studies), LGIT (Grenoble)

Education and training

2008-2009: Master 2 of Earth Sciences at the University Joseph Fourier of Grenoble

2007-2008: "Agrégation" in Geology and Biology (competitive teaching degree).

August 2007: Dynamo Summer school in Les Houches.

2005-2007: Licence and Master 1 of Earth Sciences at the ENS of Lyon (a selective university-level school training for research and teaching)

2003-2005: 'Classe préparatoire BCPST' (Biology, Chemistry, Physics and Earth Sciences), lycée Champollion (university-level preparation for competitive entrance exam to engineering school).

Personal skills and competences

Other languages: English and Spanish:

Driving licence

Social skills and competences: Playing rugby, where team spirit is very significant, running, hiking, skydiving.....
